**PLACING OF CONVERTIBLE BONDS**

**BY VALUE CONVERGENCE HOLDINGS LIMITED**

On 8 September 2009, Value Convergence, an associated company of the Company, entered into the Placing Agreement with the Placing Agent, pursuant to which Value Convergence has agreed to appoint the Placing Agent to procure, during the Placing Period, on a best endeavours basis, independent Subscribers to subscribe, in cash at 100% of the principal amount, for the First Convertible Bonds in a principal amount of HK\$300 million. The initial Conversion Price of the Convertible Bonds is HK\$1.00 per Conversion Share.

Under the terms of the First Convertible Bonds, Options will be granted to the converting Bondholders on any conversion of the First Convertible Bonds effected within one year from their date of issue. The Options will entitle the converting Bondholders to subscribe, in cash at 100% of the principal amount, for further Convertible Bonds equal to the principal amount of the First Convertible Bonds which are converted on the relevant occasion. Accordingly, Options may be issued to Subscribers for up to a further principal amount of HK\$300 million of Convertible Bonds. Options must be exercised within one year from the date of initial issuance of the First Convertible Bonds, failing which the Options will lapse. Optional Bonds will be constituted by the same Bond Instrument, and issued on the same terms and conditions, as the First Convertible Bonds; except that the holders of the Optional Bonds will not be entitled to receive any further Options to subscribe for Convertible Bonds on conversion of any Optional Bonds. In addition, because the Bond Instrument includes a prohibition on conversion of the First Convertible Bonds within the period of three months from the First Issue Date (see under "Conversion restrictions" below), no Options or Optional Bonds will be issued during that three month period and, accordingly, the right of the Company to redeem Convertible Bonds within three months from the First Issue Date (see under "Redemption" below) will not be applicable as a practical matter in respect of the Optional Bonds.

If all the First Convertible Bonds are issued and converted within one year from their issue date, and all the Options are issued and validly exercised, Value Convergence will raise an aggregate amount, before

expenses, of HK\$600 million and an aggregate principal amount of HK\$600 million of Convertible Bonds would be issued. Assuming full conversion of the Convertible Bonds in an aggregate principal amount of HK\$600 million at the initial Conversion Price of HK\$1.00, a total of 600 million Conversion Shares would be issued, representing approximately 161.65% of the existing issued share capital of Value Convergence and approximately 61.78% of the issued share capital of Value Convergence as enlarged by the issue of such Conversion Shares.

Under the Placing Agreement, Subscribers for the First Convertible Bonds are required to enter into separate Subscription Agreements directly with Value Convergence. Completion of the subscription of the Convertible Bonds under the Subscription Agreements is subject to the conditions as set out in the paragraph headed "Conditions Precedent" below being fulfilled.

Immediately prior to entering into the Placing Agreement, the Company was interested in 160,930,381 VC Shares, representing approximately 43.36% of the issued share capital of Value Convergence. Upon full conversion of the entire principal amount of HK\$600 million of Convertible Bonds (assuming that the Convertible Bonds are issued to that extent), the interest of the Company in Value Convergence would be diluted to approximately 16.57%.

## **PLACING AGREEMENT**

### **Date**

8 September 2009

### **Parties**

Issuer: Value Convergence, an associated company of the Company  
Placing agent: The Placing Agent

To the best of the knowledge, information and belief of the Directors, after having made all reasonable enquiries, the Placing Agent and its ultimate beneficial owners are Independent Third Parties.

### **Placing period**

The Placing Agreement provides that the Placing Agent will, on a best endeavours basis, procure Subscribers to subscribe, in cash at 100% of their principal amount, for the First Convertible Bonds within the period from (and excluding) the date of the Placing Agreement to (and including) the date falling on the tenth trading day thereafter. The Placing Agent has confirmed to Value Convergence in the Placing Agreement that the Placing Agent will use all reasonable endeavours (exercising due care and making reasonable enquiries) to ensure that (i) the Subscribers and their ultimate beneficial owners (a) are not connected persons of Value Convergence and are third parties independent of, and not connected with, the directors, chief executive(s) or substantial shareholder(s) of Value Convergence, any of its subsidiaries, or their respective associates; and (b) are not persons acting in concert with the Company or its

associates (as defined in the Takeovers Code), or with each other or their respective associates (as defined in the Takeovers Code); (ii) none of the Subscribers or any persons acting in concert with them holds, directly or indirectly, any VC Shares; and (iii) the Subscribers are subscribing for the Convertible Bonds as principals and not as agents, nominees or trustees for others.

Under the Placing Agreement, Subscribers for the First Convertible Bonds are required to enter into separate Subscription Agreements directly with the Company, substantially in the form of the draft Subscription Agreement set out in a schedule to the Placing Agreement. The principal terms of the Subscription Agreements are summarized below.

### **Subscription Agreements**

#### **Date:**

To be entered into within the placing period under the Placing Agreement, of ten trading days.

#### **Parties**

In respect of each separate Subscription Agreement to be entered into, (1) the relevant Subscriber and (2) Value Convergence.

#### **Subscription Amount**

It is anticipated that each Subscriber will enter into a separate Subscription Agreement for the subscription of the Convertible Bonds to be subscribed by the relevant Subscriber. If the placing is successfully completed, the aggregate principal amount of Convertible Bonds to be subscribed by all the Subscribers under all the Subscription Agreements would be HK\$300 million, being the First Convertible Bonds.

#### **Conditions Precedent**

Completion of the subscription for the First Convertible Bonds under each Subscription Agreement will be conditional on:

- (a) the shareholders of Value Convergence passing one or more resolutions at the extraordinary general meeting of Value Convergence to be held, approving:
  - (i) the issue of a principal amount of HK\$300 million of the First Convertible Bonds;
  - (ii) the grant and issue, in accordance with the terms of the Bond Instrument, of the Options and the issue of an additional principal amount of HK\$300 million of Optional Bonds on exercise of the Options; and
  - (iii) the issue and allotment of the Conversion Shares upon the exercise of the conversion rights in respect of all Convertible Bonds to be issued under the Bond Instrument, being an aggregate principal amount of HK\$600 million of

Convertible Bonds comprising the First Convertible Bonds and the Optional Bonds;

- (b) the Stock Exchange approving the issue of all the Convertible Bonds to be issued under the Bond Instrument being an aggregate principal amount of HK\$600 million (comprising the First Convertible Bonds and the Optional Bonds) and the Options (in each case, either unconditionally or subject only to conditions to which neither Value Convergence nor the Subscriber reasonably object and the fulfilment of such conditions);
- (c) the Listing Committee granting (either unconditionally or subject only to conditions to which neither Value Convergence nor the Subscriber reasonably object) listing of and permission to deal in the Conversion Shares to be issued on exercise of the conversion rights in respect of all the Convertible Bonds to be issued under the Bond Instrument (being an aggregate principal amount of HK\$600 million of Convertible Bonds comprising the First Convertible Bonds and the Optional Bonds); and
- (d) at completion (i) the representations and warranties given by Value Convergence in the Subscription Agreement remaining accurate, correct and complied with in all material respects at, and as if made on, the completion date; (ii) Value Convergence having performed all of its obligations under the Subscription Agreement to be performed on or before the completion date; and (iii) the Subscriber having received a certificate to such effect, dated as of the completion date, and signed by a duly authorised officer of Value Convergence.

The form of Subscription Agreement provides that completion of the subscription for the First Convertible Bonds will take place in Hong Kong on the business day immediately following the date on which the conditions precedent to completion are fulfilled or waived.

If the conditions precedent are not fulfilled on or before 30 November 2009 or such later date as may be agreed between the Subscriber and Value Convergence, the Subscription Agreement shall terminate and the parties to the Subscription Agreement shall be released and discharged from all obligations thereunder (save for any liabilities in respect of any antecedent breaches occurring prior to such termination).

The form of the Subscription Agreement provides that the Convertible Bonds are to be constituted by a Bond Instrument, substantially in the form of the draft set out in a schedule to the Subscription Agreement. The principal terms of the Bond Instrument and the Convertible Bonds are summarized below.

## Principal Terms of the Bond Instrument and the Convertible Bonds

Principal amount:	<p>HK\$600 million, comprising: -</p> <p>(i) the First Convertible Bonds in the aggregate principal amount of HK\$300 million with Options to be granted to the Converting Bondholders upon conversion of the First Convertible Bonds to further subscribe for Optional Bonds in a principal amount equal to the respective principal amounts of the First Convertible Bonds being converted; and</p> <p>(ii) the Optional Bonds in the aggregate principal amount of up to HK\$300 million, to be issued on exercise of the Options.</p>
Issue price:	100% of the principal amount of the Convertible Bonds. The issue price was determined by Value Convergence based on the face value of the Convertible Bonds.
Interest rate:	1% per annum, which shall be payable on 30 June 2010 and thereafter semi-annually in arrears on 31 December and 30 June in each year.
Maturity date:	2 years from the date of issue.
Conversion price:	<p>HK\$1.00, being the initial conversion price per Conversion Share but subject to standard adjustment clauses including consolidation or subdivision of the VC Shares, capitalization of profits or reserves, capital distributions, issue of VC Shares and other securities by way of rights and issue of new VC Shares at a price which is less than 95% of the then market price of the VC Shares.</p> <p>The initial Conversion Price was determined by Value Convergence with reference to the current price performance of the VC Shares.</p>
Conversion Shares:	<p>A maximum of 600 million Conversion Shares to be allotted and issued upon full conversion of the Convertible Bonds, which represents approximately 161.65% of the existing issued share capital of Value Convergence and approximately 61.78% of the issued share capital of Value Convergence as enlarged by the issue of such Conversion Shares.</p> <p>VC Shares issued upon conversion shall rank pari passu in all respects with all other existing VC Shares outstanding as at the conversion date and all Conversion Shares shall include rights to participate in all dividends and other distributions the record date</p>

	of which falls on or after the conversion date.
Conversion restrictions:	<p>(a) The Convertible Bond(s) can only be converted during the period commencing three months after the First Issue Date and ending on the day immediately prior to the maturity date of the Convertible Bonds.</p> <p>(b) No fraction of a VC Share shall be issued on conversion of the Convertible Bonds, and instead the Company shall pay a cash amount in Hong Kong dollars equal to such amount of the Convertible Bonds that are not converted.</p> <p>(c) A holder of Convertible Bonds shall not exercise the right of conversion if, as a result of such exercise, less than 25% of the issued share capital of Value Convergence would be held by the public (as such expression is defined in the Listing Rules) immediately after such conversion.</p> <p>(d) A holder of Convertible Bonds shall not convert any Convertible Bonds, and Value Convergence shall not issue any Conversion Shares if, upon such issue, the holders of the Convertible Bonds and the parties acting in concert with it would be required to make a mandatory general offer under the Takeovers Code for the VC Shares held by Value Convergence's other shareholders, unless the Bondholder undertakes to Value Convergence at the time of the relevant exercise that all applicable provisions of the Takeovers Code will be complied with.</p> <p>(e) A holder of Convertible Bonds shall not convert any Convertible Bond if, as a result of such conversion, the Bondholder would thereby become a substantial shareholder (as defined in the SFO) of one or more subsidiaries of the Company which are regulated under Part V of the SFO, unless the Bondholder has first been approved by the SFC under Part V of the SFO to become such a substantial shareholder.</p>
Status and transferability:	<p>(a) The obligations of Value Convergence arising under the Convertible Bonds will constitute general, unsecured and unsubordinated obligations of Value Convergence, and will rank equally among themselves and pari passu with all other present and future unsecured and unsubordinated obligations of Value Convergence except for obligations accorded preference by mandatory provisions of applicable laws.</p> <p>(b) No application will be made for a listing of the Convertible</p>

	<p>Bonds in any jurisdiction.</p> <p>(c) The Convertible Bonds may be transferred to any person, except that the Convertible Bonds may not be transferred to a connected person of Value Convergence without the prior written consent of Value Convergence. Without prejudice to that, any transfer of the Convertible Bonds is subject to (1) the Listing Rules for so long as the VC Shares are listed on the Stock Exchange (and the rules of any other stock exchange on which the VC Shares may be listed at the relevant time), and all applicable laws and regulations; and (2) the approval of the Shareholders in a general meeting if so required and in compliance with the applicable provisions of the Listing Rules if such transfer is proposed to be made to a connected person of Value Convergence.</p> <p>(d) Any transfer of the Bonds shall be in respect of the whole or any part of the Convertible Bonds in multiples of HK\$10 million.</p>
Redemption:	<p>All Convertible Bonds which have not been redeemed or converted by their maturity date will be automatically redeemed by Value Convergence on the maturity date at a redemption amount equal to 100% of the principal amount of such Convertible Bonds. Any accrued but unpaid interest will also be payable.</p> <p>The First Convertible Bonds may be redeemed in whole or in part by Value Convergence within three months from the First Issue Date (but not thereafter) at 100.25% of the principal amount of the Convertible Bonds. If Convertible Bonds are redeemed by Value Convergence under this provision, no interest shall accrue or be payable in respect of those Convertible Bonds from the date of their issue.</p> <p>The Bond Instrument includes a prohibition on conversion of the First Convertible Bonds within the period of three months from the First Issue Date (see under "Conversion restrictions" above). Therefore, no Options or Optional Bonds will be issued during that three month period and, accordingly, the right of the Company to redeem the Convertible Bonds within three months from the First Issue Date will not be applicable as a practical matter in respect of the Optional Bonds.</p>
Voting at shareholders' meeting:	<p>Holders of the Convertible Bonds shall not be entitled to receive notices to attend or vote at any shareholders' meetings of Value</p>

	Convergence by reason only of being the holders of the Convertible Bonds.
Bondholders' meeting:	Value Convergence may at any time and shall, at the request in writing of persons holding not less than one-tenth of the aggregate principal amount of the Convertible Bonds outstanding, convene a meeting of the Bondholders by giving not less than 14 days' written notice. A meeting of Bondholders shall have power to (i) sanction any modification or compromise or arrangement in respect of the rights of the Bondholders against Value Convergence; (ii) assent to any modification or abrogation of the provisions of the Bond Instrument; and/or (iii) give any consent or direction required to be given by the Bondholders under the Bond Instrument, in each case by a simple majority of the Bondholders voting upon a show of hands or, if a poll is demanded, by a majority consisting of not less than 50% of the votes given on such poll.
Listing:	No application will be made for the listing of, or permission to deal in, the Convertible Bonds on the Stock Exchange, or any other stock exchange. Application will be made by the Company to the Stock Exchange for the listing of, and permission to deal in, the Conversion Shares.
Events of default:	<p>If any of the following events ("Events of Default") occurs, any holder of Convertible Bonds may give notice to Value Convergence that the holder's Convertible Bonds be redeemed, whereupon those Convertible Bonds shall become immediately due and payable at 100% of their principal amount and all interest accrued in respect of those Convertible Bonds shall also become immediately due and payable. The Events of Default are as follows:-</p> <p>(a) any failure to pay the principal of or interest on the Convertible Bonds when due and such failure continues for a period of seven days in the case of principal or 14 days in the case of interest;</p> <p>(b) Value Convergence defaults in performance or compliance with any of its obligations under the Bond Instrument (other than the covenant to pay the principal and interest in respect of the Convertible Bonds), and such default is incapable of remedy (in which event no such notice as is referred to below shall be required), or, if capable of remedy, is not remedied within 30 days after notice sent by the holder of the Convertible Bonds to Value Convergence requiring such</p>

Options:	<p>On an exercise within 12 months from the date of issue of the First Convertible Bonds of the conversion rights in respect of the First Convertible Bonds, a converting Bondholder shall be granted the Option by Value Convergence to subscribe, in cash at 100% of their principal amount, for an aggregate principal amount of Optional Bonds equal to the principal amount of the First Convertible Bonds being converted by that converting Bondholder on the relevant occasion. Accordingly, the maximum aggregate amount of additional Convertible Bonds in respect of which Options may be granted (referred to in this announcement as "Optional Bonds") is HK\$300 million. If the subscription rights conferred by Options are duly exercised, Optional Bonds would be issued under the Bond Instrument on the same terms and conditions as the First Convertible Bonds, except that no further options to subscribe for Convertible Bonds and/or any other security instrument whatsoever will be granted on the conversion of any Optional Bonds. In addition, because the Bond Instrument includes a prohibition on conversion of the First Convertible Bonds within the period of three months from the First Issue Date (see under "Conversion restrictions" above), no Options or Optional Bonds will be issued during that three month period and, accordingly, the right of Value Convergence to redeem Convertible Bonds within three months from the First Issue Date (see under "Redemption" above) will not be applicable as a practical matter in respect of the Optional Bonds.</p>

	<p>Options to subscribe for Optional Bonds may only be exercised within 12 months from the date of initial issuance of the First Convertible Bonds.</p> <p>The minimum principal amount of Optional Bonds which may be subscribed for on an exercise of the Options is HK\$10 million. The subscription moneys shall be satisfied in full, in cash on subscription.</p> <p>Options are transferrable on the same terms as are applicable to the transfer of Convertible Bonds, described above.</p>

## REASONS FOR THE TRANSACTION

The Directors are of the view that the issue of the Convertible Bonds by Value Convergence enables Value Convergence to raise funds in an economical manner to expand its existing

businesses and make new investments (where opportunities arise), thereby enhancing the value of the Company's investment in Value Convergence.

## **FINANCIAL EFFECTS OF THE TRANSACTION**

Immediately prior to the entering of the Placing Agreement, the Company was interested in 160,930,381 VC Shares, representing approximately 43.36% of the issued share capital of Value Convergence, and the financial results of Value Convergence have been equity accounted for in the consolidated accounts of the Group. Upon full conversion of the Convertible Bonds (assuming that the maximum amount of HK\$600 million in principal amount of Convertible Bonds is issued), the interest of the Company in Value Convergence would be diluted to approximately 16.57%, and the financial results of Value Convergence would be accounted for in the consolidated accounts of the Group as an investment.

It is estimated that, based on the latest available financial information and the latest trading price of VC Shares, that a deemed disposal of an approximately 26.79% interest in Value Convergence upon full conversion of the Convertible Bonds (assuming that the maximum amount of HK\$600 million in principal amount of Convertible Bonds is issued), would give rise to an estimated loss for the Company in the amount of approximately HK\$110.3 million.
