ANNOUNCEMENT OF UNAUDITED FINANCIAL RESULTS FOR THE THIRD QUARTER ENDED 30 SEPTEMBER 2010 BY A LISTED ASSOCIATE - MELCO CROWN ENTERTAINMENT LIMITED

This is not the announcement of the financial results of Melco International Development Limited (the "Company"). This announcement is made by the Company pursuant to the requirements of Rule 13.09(1) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Listing Rules") to provide shareholders of the Company and the public with information of the financial results of a listed associate of the Company, Melco Crown Entertainment Limited, which has announced on 2 November 2010 its unaudited financial results for the third quarter ended 30 September 2010.

Melco Crown Entertainment Limited, a 33.53% owned associate of the Company, whose shares are listed by way of American Depositary Receipts on the NASDAQ Global Select Market in the United States, has announced on 2 November 2010 its unaudited financial results for the third quarter ended 30 September 2010.

This announcement is made by the Company pursuant to the requirements of Rule 13.09(1) of the Listing Rules.

Melco Crown Entertainment Limited ("Melco Crown Entertainment"), a 33.53% owned associate of the Company, whose shares are listed by way of American Depositary Receipts on the NASDAQ Global Select Market in the United States, has announced on 2 November

2010 its unaudited financial results for the third quarter ended 30 September 2010. Extracts of the unaudited financial results of Melco Crown Entertainment are provided below:

The third quarter 2010 results of Melco Crown Entertainment

Net revenue for the third quarter of 2010 was US\$727.0 million, representing an increase of approximately 45% from US\$500.3 million reported in the quarter ended 30 September 2009. Adjusted EBITDA (i.e. earnings before interest, taxes, depreciation, amortization, pre-opening costs, property charges and other, share-based compensation costs, and other non-operating income and expenses) was US\$136.3 million for the third quarter of 2010, as compared to Adjusted EBITDA of US\$55.6 million in the third quarter of 2009. The year-over-year improvement in net revenue and Adjusted EBITDA resulted primarily from a broad-based improvement in operating performance at City of Dreams.

On a U.S. GAAP (i.e. generally accepted accounting principles) basis, Melco Crown Entertainment recorded net income for the third quarter of 2010 of US\$15.8 million, or US\$0.03 per ADS (i.e. American Depositary Share), compared with a net loss of US\$39.5 million, or a loss of US\$0.08 per ADS, in the third quarter of 2009. The improvement in bottom line results was driven by a significant year-over-year improvement in the operating performance at City of Dreams, partially offset by increased depreciation and amortization expense associated with the opening of the Grand Hyatt and The House of Dancing Water at City of Dreams and higher net interest expense related to the refinancing of approximately US\$600 million of bank debt through the issuance of a high yield bond in May 2010.

Other factors affecting earnings of Melco Crown Entertainment

Total non-operating expense for the third quarter of 2010 was US\$30.1 million, which included US\$28.3 million in net interest expense and other finance costs of US\$3.8 million. Capitalized interest during the third quarter of 2010 totaled US\$3.6 million.

Depreciation and amortization costs of US\$58.9 million were recorded in the third quarter of 2010, of which US\$14.3 million was related to the amortization of Melco Crown Entertainment's gaming sub-concession and US\$4.9 million was related to the amortization of land use rights. The year-over-year increase in depreciation and amortization costs is primarily related to the opening of the Grand Hyatt in September 2009 and the opening of The House of Dancing Water in the third quarter of 2010.

Financial position and capital expenditure of Melco Crown Entertainment

Cash and cash equivalents as of 30 September 2010 totaled US\$659.9 million, including US\$164.6 million of restricted cash. Total debt at the end of the third quarter of 2010 was US\$1.9 billion, and total net debt to shareholders' equity as of 30 September 2010 was 51%.

Capital expenditures for the third quarter of 2010 were US\$20.9 million, primarily attributable to City of Dreams.

Nine months results of Melco Crown Entertainment

For the nine months ended 30 September 2010, Melco Crown Entertainment reported net revenue of US\$1.9 billion versus US\$932.7 million in the nine months ended 30 September 2009. Adjusted EBITDA for the first nine months of 2010 was US\$296.6 million, as compared with Adjusted EBITDA of US\$53.1 million in the first nine months of 2009.

The year-over-year improvement in net revenue and Adjusted EBITDA were primarily attributable to significantly improved operating results at both City of Dreams and Altira Macau, as well as from the opening of City of Dreams in June of 2009 and its contribution to results for the entire nine months of 2010.

Melco Crown Entertainment reported a net loss of US\$26.8 million for the first nine months of 2010 compared to a net loss of US\$218.8 million for the first nine months of 2009. The net loss per ADS for the nine month period ended 30 September 2010 was US\$0.05 compared to a net loss per ADS of US\$0.46 for the same period in 2009.

The condensed consolidated statement of operations for the third quarter ended 30 September 2010 and the condensed consolidated balance sheet as at 30 September 2010 of Melco Crown Entertainment are provided below:
