
8.1 Environmental Policy

Purpose

This Policy is to provide the guidelines for the Group to address the direct and indirect impact of its operations and develop long-term environmental conservation strategy. The Group is committed to mitigating its overall impact on the environment while encouraging and activating environmentally responsible behavior of all employees of the Group.

Scope of Application

This Policy applies to all directors, officers and employees of the Group. All directors, officers and employees of the Group will be held accountable to this Policy and are expected to read, fully understand and adhere to this Policy.

Policy Description

A. Commitment

The Company is committed to continual improvement of environmental performance.

The Company is a signatory member of the Copenhagen Communiqué and the Carbon Reduction Charter and a Green Partner of the Environmental Protection Department's Carbon Audit Green Partner campaign that committed to protecting the environment of the Earth. To minimize environmental impacts concerning our activities, we shall:

- Comply with applicable legal requirements and other requirements to which the Company subscribes which relate to its environmental aspects.
- Prevent pollution, reduce waste, minimize the consumption of resources and maximize recycling.
- Educate, train and motivate employees to carry out tasks in an environmentally responsible manner.
- Encourage environmental protection among suppliers and subcontractors.

B. Communications

This Policy will be communicated to all staff, contractors, suppliers and be available for public.
