Consideration

The subscription price per Class A Share is, in each case, US\$0.75 (equivalent to approximately HK\$5.85), which was determined by a pricing committee nominated by the board of directors of SCIHL, taking into account, among others, (i) the market price and trading liquidity of the ADSs on the NYSE historically and under prevailing market conditions; (ii) discounts applied to transactions of a similar nature; and (iii) the funding and capital needs of SCIHL. The subscription price per Class A Share represents a discount of approximately 46.6% to the average closing price of a Class A Share, derived from the closing prices of the ADSs on the NYSE, for the five NYSE trading days prior to the date of this announcement, of US\$5.62 (equivalent to approximately HK\$43.84). One ADS represents four Class A Shares.

MCO Cotai intends to finance the purchase of the Class A Shares by internal source of funding and borrowings.

SCIHL intends to contribute the net proceeds of the Private Placements to Studio City Company.

The Directors believe that the terms of the MCO Cotai Subscription are fair and reasonable and in the interest of the Shareholders as a whole.

The subscriptions by New Cotai and Silver Point for new Class A Shares and ADSs, as applicable, under the New Cotai Subscription and the Silver Point Subscription, will maintain the existing aggregate economic interest of New Cotai and Silver Point in SCIHL on closing of the Private Placements. Such subscriptions are beneficial to SCIHL (and, therefore, indirectly to the Company) by providing SCIHL with funds for the development of its business in accordance with the intended use of proceeds described above, on the same economic terms as the subscriptions made by MCO Cotai, maintaining stability associated with the continuity of ownership of SCIHL by its existing major shareholders and demonstrating the confidence of the major shareholders in SCIHL's future prospects.

The New Cotai Subscription and the Silver Point Subscription are, therefore, connected transactions for the Company. However, New Cotai and Silver Point are only connected at the subsidiary level. As (i) one or more of the applicable percentage ratios (as defined under the Listing Rules) in respect of each of the New Cotai Subscription and the Silver Point Subscription is 5% or more, (ii) the Board has approved the New Cotai Subscription and the Silver Point Subscription, and (iii) the independent non-executive Directors have confirmed that the terms of the New Cotai Subscription and the Silver Point Subscription are fair and reasonable, and that the New Cotai Subscription and the Silver Point Subscription are on normal commercial terms or better (as far as the Company is concerned) and in the interests of the Company and the Shareholders as a whole, the New Cotai Subscription and the Silver Point Subscription are subject to the reporting and announcement requirements but are exempt from the circular, independent financial advice and shareholders' approval requirements under Chapter 14A of the Listing Rules pursuant to Rule 14A.101 of the Listing Rules.
